Two Cost-Saving Tips

- ITEMIZE: Some mortuaries require [you buy their casket](#) to take advantage of their “package price” so we’ve calculated the cost of a sufficient funeral package if you were to buy each item individually. Discovery: Often, itemizing saves more than the package discount when you bring a casket you made or bought elsewhere.
- SHOP AROUND: Don’t just use the funeral home closest to your house. You won’t notice any experiential difference based on distance, unless you need to use their facility for viewing and/or funeral. They typically charge \$3/mile for distances over 25-50 miles.

“Itemized Funeral Package”, in this survey, includes:

- the basic non-declinable fee for the mortuaries overhead,
- transfer of remains,
- embalming,
- other prep (which is hair, makeup, dressing, casketing),
- hearse (save hundreds by using your own vehicle, borrowed or rented van or truck),
- 1 hr viewing
- followed by a funeral service,
- committal service at graveside.

Our made-up package does not include:

Casket, Obituary, Flowers, Burial clothing, Longer viewing or visitation, Extra certified copies of death certificate, M.E. permit if cremating after the funeral or burying out of state, nor **Cemetery fees** (add \$1-3K+): plot, vault or grave liner, graveside chairs, awning, fake grass, opening/closing, grave marker, and other things not specifically listed.

Direct Cremation Package here includes first call pick up, processing paperwork, permits, a casket (particle board or cardboard), a box for the ashes (called “temporary container” in the vernacular of the funeral biz), and the actual cremation.

A memorial service *held after* cremation is simplest to arrange without a funeral director.

A funeral service *followed by* a direct cremation can be accomplished easily as well.

Forwarding of Remains: If you want embalming, this is an economical way to purchase (1) retrieval of the body (2) death certificate (3) burial transit/M.E. permit (4) embalming. Then the Funeral Home can turn the body over to the family to: hold meetings, ceremony & delivery to final resting place on their own. **See how many things families can do themselves:**
