Some mortuaries require you buy their casket to take advantage of their “package price”.
That’s why we’ve calculated the cost of a full service funeral if you were to buy each item individually (itemized).

*In order to standardize the survey & only choose the minimum most people (without a support system) would buy
OUR Itemized "package" in this survey only INCLUDES:
-the non-declinable fee,
-initial transfer of remains to mortuary,
-embalming,
-other prep (which is hair, makeup, dressing, casketing),
-1 hr viewing followed immediately by a funeral service (not at mortuary),
-graveside/committal service,
-hearse).

Our itemization does NOT include:
-Utility Van, -Programs for the service
-Casket, Obituary, Flowers, Burial clothing,
-Longer viewing or visitation than just before funeral,
-Extra certified copies of death certificate, Medical Examiners permit
nor
-Cemetery fees (plan to add 3K+ for plot, vault or grave liner, graveside chairs, awning, fake grass, opening/closing, grave marker, and other things not specifically listed.)
-Distances over 25-30 miles which typically cost \$3/mile more

Direct Cremation Package here includes: paperwork, a casket (particle board or cardboard), a box for the ashes (called “temporary container” in the vernacular of the funeral biz), and the actual cremation.
A memorial service held after cremation is simplest to arrange without a funeral director.
A funeral service followed by a direct cremation can be accomplished easily as well, but requires support of family or friends..

Forwarding of Remains: If you want embalming, this is an economical way to purchase (1) retrieval of the body (2) death certificate (3) burial transit/M.E. permit (4) embalming.
Then the Funeral Home can turn the body over to the family to:
hold meetings, ceremony & delivery to final resting place on their own.
See how many things families can do themselves:

-Procuring paperwork,			
-Embalming (FHs insist on this for open casket because how the body looks is their calling card/claim to fame)			
-Body prep (washing, dressing, casketing or other custom)			
-Hearse			
-A van or truck to transport casket			
-Directing people and casket during gathering			
-Obituary (a free death notice can be published)			
-Video or Audio recording of ceremony,			
-Transporting flowers to chapel and graveside			
-Lowering casket into grave (depends on cemetery).			

Things not usually needed in red
and
Things family can do themselves in blue
