<p>Some mortuaries require you buy their casket to take advantage of their “package price”. That’s why we’ve calculated the cost of a full service funeral if you were to buy each item individually (itemized).</p> <p>*In order to standardize the survey &amp; only choose the minimum most people (without a support system) would buy OUR Itemized "package" in this survey only INCLUDES:</p> <ul style="list-style-type: none"> <li>-the non-declinable fee,</li> <li>-initial transfer of remains to mortuary,</li> <li>-embalming,</li> <li>-other prep (which is hair, makeup, dressing, casketing),</li> <li>-1 hr viewing followed immediately by a funeral service (not at mortuary),</li> <li>-graveside/committal service,</li> <li>-hearse).</li> </ul> <p>Our itemization does NOT include:</p> <ul style="list-style-type: none"> <li>-Utility Van, -Programs for the service</li> <li>-Casket, Obituary, Flowers, Burial clothing,</li> <li>-Longer viewing or visitation than just before funeral,</li> <li>-Extra certified copies of death certificate, Medical Examiners permit</li> </ul> <p>nor</p> <ul style="list-style-type: none"> <li>-Cemetery fees (plan to add 3K+ for plot, vault or grave liner, graveside chairs, awning, fake grass, opening/closing, grave marker, and other things not specifically listed.)</li> <li>-Distances over 25-30 miles which typically cost \$3/mile more</li> </ul>																																																						
<p><b>Direct Cremation Package</b> here includes: paperwork, a casket (particle board or cardboard), a box for the ashes (called “temporary container” in the vernacular of the funeral biz), and the actual cremation. A memorial service held after cremation is simplest to arrange without a funeral director. A funeral service followed by a direct cremation can be accomplished easily as well, but requires support of family or friends..</p> <p><b>Forwarding of Remains:</b> If you want embalming, this is an economical way to purchase (1) retrieval of the body (2) death certificate (3) burial transit/M.E. permit (4) embalming. Then the Funeral Home can turn the body over to the family to: hold meetings, ceremony &amp; delivery to final resting place on their own. <b>See how many things families can do themselves:</b></p> <table> <tr> <td>-Procuring paperwork,</td><td></td><td></td><td></td><td></td></tr> <tr> <td>-Embalming (FHs insist on this for open casket because how the body looks is their calling card/claim to fame)</td><td></td><td></td><td></td><td></td></tr> <tr> <td>-Body prep (washing, dressing, casketing or other custom)</td><td></td><td></td><td></td><td></td></tr> <tr> <td>-Hearse</td><td></td><td></td><td></td><td></td></tr> <tr> <td>-A van or truck to transport casket</td><td></td><td></td><td></td><td></td></tr> <tr> <td>-Directing people and casket during gathering</td><td></td><td></td><td></td><td></td></tr> <tr> <td>-Obituary (a free death notice can be published)</td><td></td><td></td><td></td><td></td></tr> <tr> <td>-Video or Audio recording of ceremony,</td><td></td><td></td><td></td><td></td></tr> <tr> <td>-Transporting flowers to chapel and graveside</td><td></td><td></td><td></td><td></td></tr> <tr> <td>-Lowering casket into grave (depends on cemetery).</td><td></td><td></td><td></td><td></td></tr> </table>					-Procuring paperwork,					-Embalming (FHs insist on this for open casket because how the body looks is their calling card/claim to fame)					-Body prep (washing, dressing, casketing or other custom)					-Hearse					-A van or truck to transport casket					-Directing people and casket during gathering					-Obituary (a free death notice can be published)					-Video or Audio recording of ceremony,					-Transporting flowers to chapel and graveside					-Lowering casket into grave (depends on cemetery).
