<b>Spring 2025</b>  <b>SALT LAKE COUNTY &amp; WEST</b>  <b>Mortuaries</b> using their most recent General Price List (GPL)		<b>*Itemized Package</b> Add homemade or locally-made casket (~\$300 to \$1K) <b>OR</b> <b>Mortuaries' Package</b> <a href="#">which requires you buy THEIR casket</a> (~\$1500 & up)  <b>Plus final disposition</b> Cemetery (~\$3K & up) or Cremation (~\$1K)	<b>Direct Cremation Package</b>  <b>Includes</b> cardboard casket box for ashes 1st Death Cert Cremation Permit  <b>Add</b> +\$10/extra DC +\$? if over 200 lbs +\$? if over 50 miles +tangible items tax	<b>Forwarding Package</b>  <b>Includes</b> Paperwork 1 <sup>st</sup> call pick up embalming delivery to airport  <b>Add</b> \$32 1st Death Cert + \$157 M.E. permit (IF family taking over, leaving UT, or cremation) + casket (make or buy)	<b>Examine the GPL in the private:</b>  <b>on the mortuary's website</b>  <b>or</b>  <b>provided by us in Google Docs</b>

Most mortuaries REQUIRE you buy their casket to take advantage of their “package price”.  
That's why we've calculated the cost of a full service funeral if you were to buy each item individually (itemized) EXCEPT their utility van.

**\*Our itemization does not include a utility van because we think you can move your own flowers and the mortuary charges elsewhere for running errands and removal of body.**

**Our Itemized Package** in this survey **ONLY includes**: the non-declinable fee, transfer of remains, embalming, other prep (which is hair, makeup, dressing, casketing), 1 hr viewing followed immediately by a funeral service (not at mortuary), graveside/committal service, and a funeral coach/hearse). That is meant to standardize the survey and to only choose the minimum most people (without a support system) would buy.

**Nor** do any of the above packages include: Casket, Obituary, Flowers, Burial clothing, Longer viewing or visitation, Extra certified copies of death certificate, M.E. permit if burying out of state. **Nor Cemetery fees:** plan to add 3K+ for plot, opening/closing, grave marker, vault or grave liner (graveside chairs, awning, fake grass) and any other things not specifically listed.

Discovery: Just like hospitals & insurance companies, mortuaries raise cremation or forwarding prices in order to allow for a discount of what they really want you to buy. That way they don't mind if you choose cremation because they made the price outrageous.

The perceived savings for a "package deal" if you buy THEIR casket is often around the cost of their lowest priced casket (\$1500-2500).

Choosing to itemize (buying only what you really need) can save money and allow you a more intimate experience with your final farewell.

2) PLEASE don't necessarily go to the mortuary closest to your house: Generally there's no experiential difference based on distance, unless you need to use their facility for viewing and/or funeral. If over 25-50 miles they typically charge \$3/mile.

**Direct Cremation Package** here includes paperwork, a casket (particle board or cardboard), a box for the ashes (called "temporary container" in the vernacular of the funeral biz), and the actual cremation.

A memorial service *held after* cremation is simplest to arrange without a funeral director.

A funeral service *followed by* a direct cremation can be accomplished easily as well, but requires support of family or friends..

**Forwarding of Remains:** If you want embalming, this is an economical way to purchase (1) retrieval of the body (2) death certificate (3) burial transit/M.E. permit (4) embalming. Then the Funeral Home can turn the body over to the family to: hold meetings, ceremony & delivery to final resting place on their own.

**See how many things families can do themselves:**

**Things not usually needed in red**  
**and**  
**Things family can do themselves in blue**

- Procuring paperwork,
- Embalming (FHs insist on this for open casket because how the body looks is their calling card/claim to fame)
- Body prep (washing, dressing, casketing or other custom)
- Hearse
- A van or truck to transport casket
- Directing people and casket during gathering
- Obituary (a free death notice can be published)
- Video or Audio recording of ceremony,
- Transporting flowers to chapel and graveside
- Lowering casket into grave (depends on cemetery).

**Next Steps: Call 2–3 homes, request their GPL, and compare. If you see errors in this chart, contact us.**
